

**MATRIX
THREAD GRINDING
SOLUTION**

0850

Matrix Model 0850 External Thread Grinding Machine

Standard Features Include:

- | | |
|-------------------------------------------------|--------------------------------|
| Torque Motor Driven Work Head | Siemens 840DE CNC Control |
| Motorised Wheel Head | Coolant Clarification System |
| Automatic Wheel Balancing | Centrifugal Separator |
| Programmable Helix | Magnetic Separator |
| Absolute Encoders fitted on all configured Axes | Spindle Chiller Unit |
| Manual Tailstock | Totally Enclosed Hood |
| Work Head Mounted Dresser | Fume Extraction |
| Remote Diagnostics | Air Conditioned (ECC) |
| 1 x Diamond Dressing Media | MT Work Centres x 2 |
| 1 x Grinding Wheel | 1 x Test Grind (Customer) Part |
| Matrix ProfileMATE Software | Installation & Commissioning |

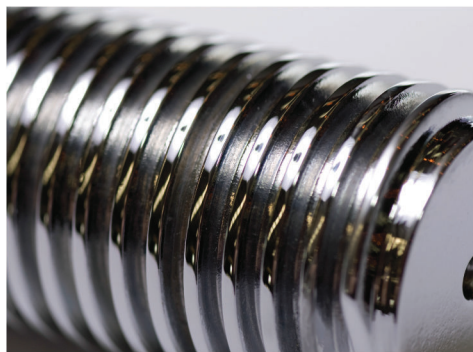

MATRIX THREAD GRINDING SOLUTION

0850

CNC Precision External Thread Grinding Machine

Machine:

Max Diameter Admitted	350 mm
Max Diameter Ground	350 mm
Min Diameter Ground	10 mm
Max Length Between Centres	800 mm
Max Length of Thread Ground Between Centres	800 mm (Component Dependant)
Lead Range	300 mm

Work Head: (C Axis)

Servo Motor Rating	154 Nm @ 120 RPM
Work Speed Range	0.4 to 120 RPM
C Axis Resolution	0.001°

Wheel Head:

Spindle Power	8.8 Kw @ 2000 RPM
Automatic Balancing	Integral Dynamic Balancing Unit
Helix Capacity (A Axis)	± 45°

Capacity (Z Axis)

Table Slide Travel	950 mm
Table Slide Position Resolution	0.0001 mm
Table Slide Traverse Speed	0 - 7 M/Min

Capacity (X Axis)

Wheel Head Slide Travel	360 mm
Wheel Head Position Resolution	0.0001 mm
Wheel Head Slide Traverse Speed	0 - 7 M/Min

Wheel Dressing Unit:

Work Head Mounted	Fixed
Variable Speed	0 ~ 6000 RPM (Bi-Directional)
Dressing Feed Rate	Programmable

Control System:

CNC System	Siemens 840 DE Solution Line
System Specification	PCU50.5
User Interface	Siemens HMI Advanced Software
10.4" Colour TFT Screen	Resolution 640 x 480 Pixels
Operating & Programming	Matrix Advanced Programming

Machine - Physical:

Approx Gross Machine Weight	10000 Kg
Approx Machine Floor Area	5100 mm x 4200 mm

Note: These capacities are subject to inevitable restrictions, depending upon wheel head, Helix angle, Work Holding, Support Equipment and are subject to change without notification.

Matrix Machine Tool (Coventry) Limited.

Unit 4, Spitfire Close, Coventry Business Park, Coventry, CV5 6UR England.
